Program Participation Policy

Effective Date: **October 9, 2002**

Date of Revisions:

1. All participants in programs sanctioned by Camrose Ski Club (CSC) must complete the annual registration form and pay the prescribed fees.
2. The CSC will register the club with the appropriate provincial and national associations. Annual race licences shall be the responsibility of individual athletes.
3. Program Directors and coaches may invite an individual who is not a member of CSC to attend one (1) program session to determine interest in membership. A one dollar (\$1.00) participant fee shall be charged to the non-member. Continued participation in programs must be as a member of CSC.
4. Program Directors, Coaches and Assistant Coaches may provide individual or group instruction/lessons/advice in Nordic Sports to non-members. Such activity may be sanctioned, supported and noted in CSC minutes. Non-sanctioned activities shall be the sole responsibility of the individuals participating and leading.
5. Some programs may target defined ages for participation (eg Jackrabbits, Youth). The age category shall be a guideline for participation. The Program Director may accept a participant to a program upon consideration of skill level, personal maturity and fit within the group, and individual need/benefit for the specific program. The Program Director shall obtain specific consent from the Guardian and report such variances to the CSC and Director of Registrations.
6. All Program Directors, Coaches, Assistant Coaches, equipment operators and trail groomers must be members of CSC.
7. The Camrose Ski Club will abide by all policies, rules & regulations of the Associations to which it is a member.
8. The Camrose Ski Club will endeavour to advise all participants of trail conditions within the Camrose Nordic Centre through appropriate signs, notices, & alerts.
