

2022-23 Annual General Meeting  
Membership Report

For the 2023-2024 season the Camrose ski club had 232 registered members, 27 less than the previous year. Our club programming and trail system offer year round activities for the general public to participate in. Programming includes youth ski programs for the young, new and competitive skiers. The club also offers a biathlon program that had youth and U of A Augustana skiers participating in. Outside of the youth ski program the club also offered adult learn to ski programs. The Camrose Ski Club has other membership programs outside of Nordic skiing, that includes, running and biking. The club also offers a general membership that doesn't include nordic activities. Programming breakdown is below.
